REFLECTIONS... 'Hope in any other have I never had, save in Thee O God of Israel.....'

These words are adapted from the prayer of Judith, from the apocryphal Book of Judith, as she sought strength from God in the face of a significant challenge. Her words 'hope in any other have I never had, save in Thee.....' continued to run through my mind as I lay 'drugged up' in the intensive care unit of St. George's Hospital on 9 December. I was in an unusual circumstance - I was in hospital for the first time since I was born!

I had just had major, and totally unexpected, open heart surgery. The problem, driven by family genes, was only discovered on December 2 when pursuing quite a different and minor medical matter. And by a miracle of circumstance I was then operated on just six days later on the evening of 8 December and by the head of cardiology, and then into intensive care for monitoring and observation. By another miracle of grace I was home just four days later on Sunday December 12. My high level of fitness, relative to age, plus being a non-smoker, hardly ever a drinker, plus the issues being discovered before I had a heart attack or whatever - are all good pointers to a complete healing. It has however been a harrowing and frightening time for Veronica, Sue and family.

November 23-25 and 29-30 were 'windows' I had in my diary for a substantial ice-climb to the Low Peak of Mt Rolleston via the Otira Slide then the main ridge. The guy I was to climb with is a professional guide and he advised me two or three days in advance that conditions at altitude were still very unstable and we agreed to defer the climb to the second week of December. That was last week. The surgeon made a salutary comment in saying I would probably have died on the mountain. God at work eh!

Now I am under 24/7 supervision at home until 26 December, then slowly emerging from my new life as a hermit, I should be back to driving by 17 January. I have cleared my calendar through to 31 January and will start engaging at a lower level in February. By March I should be gung-ho. Because I work from home I am permitted to engage electronic/non-stressful stuff immediately and build up from a starting base of about ninety minutes a day. Within three days I am readily handling an average of five hours a day but I will cap it there for a while as Veronica posts 'Please call back later as Roger is RESTING' notices on all doors as I head for bed to rest between 1.00 and 4.00pm.

Sigh [but a grateful one.....]

'Hope in any other have I never had, save in Thee O God.....' is a journey in faith, through all things, in all circumstances and it is a journey Veronica and I make with you, our brothers and sisters in the Lamb of God and the Sword of the Spirit. Know of our love, our prayer, and our commitment is with you.

Roger and Veronica

NEWS AND ARTICLES

ASHBURTON UNDERWAY COMMITMENTS

Late in 2008 I received a phone call from Joan Corbett asking if Fr. John Rea would be available to lead a one day Life in the Spirit Seminar in Ashburton. After some thought and discussion with the Christchurch Elders we decided that this would not work and I phoned Joan with this information, but we offered to lead a Seminar in Ashburton. Joan said yes.

On the 1st of August 2009, a number of Lamb of God members from Christchurch and South Canterbury ran a one day Life in the Spirit Seminar with 30 locals in attendance. The day went very well with many receiving great blessings from God.

About a month later I received another call from Ashburton asking "What next?". We organised a meeting in Ashburton to discuss this and about 20 attended this. I offered three options for them. 1 - Do nothing; 2 - Setup a Prayer Group in Ashburton; and 3 - Start a Lamb of God group in Ashburton. About three weeks later I received a call to say "Could we start a Lamb of God group?" After discussion with the Christchurch Elders, we proposed starting the group as a Mission Group attached to our Christchurch Branch.

We have now been active for one year with a core group of 10 people with about 5 others who attend when they can. On Thursday 2nd December 2010, seven members of the Ashburton Group made their Underway Commitment. It has been my privilege to lead this new group with the help of Bev, Alison, Kirsten, Roger and Veronica, Robert, John and Monica and Alan and Margaret. Thank you for your help.

It has been wonderful to see the Ashburton group grow in faith and grow together. God Bless you all.

The Ashburton team are to lead a seven week Life in the Spirit Seminar starting early March 2011.

AUCKLAND BRANCH 25TH ANNIVERSARY

[Last December 3 to 5 marked a special day for the branch as it observed its 25 years of being a part of the Lamb of God. Below are sharings during the combined gathering by Harry Lowe and Greg Hall.]

It gives us as a family great pleasure to honour and thank each of you on this auspicious day, the 25th Anniversary! We just want to express to you all how much we value your friendship! You all have been someone that we as a family could count on in the dark moments and the bright days. Each of you is a unique human being and someone we will always call friends.

We wish you a happy 25th Anniversary and look forward to the big 50th. A huge thank you to all the past members who stepped in and contributed to this beautiful family of God over these years.

25 years, Wow! A lot of love and care has been packed into this, and each of you has a great deal to be proud of, particularly your enormous capacity for caring for each other. Truly HIS miracle of love! I and my family have known you for over 15 years, and you've had some pretty amazing adventures and challenges in that time. Again and again, though, you shine, and you always manage to overcome them. We admire you because you say what you mean and live by what you say. You have an incredible gift for making people feel comfortable with your hospitality to all those who enter your homes. You are dependable, generous, God fearing & caring, your small gestures of kindness often make us feel more special in a moment than others feel in a lifetime. We are blessed to have each of you in our lives. We pray that the Giver of Life, our Lord Jesus will bestow on you and your families every rich Blessing as we continue to serve Him and walk this journey together. I pray the blessing of Moses to Aaron from the book of Numbers 6:24-26 "May the Lord Bless you and keep you; may the Lord make his face to shine upon you, and be gracious to you, The Lord lift up his countenance upon you, and give you his peace".

Lots of love and good wishes to you as we share this friendship with you and your family for many more years. "We need each other." God bless you. Love & Prayers

Harry, Maureen & Lukanne

In 1982 Maryanne and I heard a talk given by John Carroll from the Emmanuel Community in Brisbane and Roger Foley from the Lamb of God Christchurch. It was the witnessing in these sharings coupled with the action of God's Spirit in our hearts that started us on our journey towards community life. The concept of a group of people coming together regularly for praise and worship, instructional teaching, and small group sharing of life experiences within an ecumenical charismatic expression was attractive to us and the seed planted in our hearts that evening grew into a calling on our lives from the Lord.

We then belonged to a small family-based group called the Better World Movement and we had met together weekly for seven years. Those meetings included shared prayer but yet lacked other elements that we desired; particularly the charismatic prayer that we had experienced in the early seventies. Shortly afterwards we were invited to a marriage enrichment weekend run by Covenant Community. This weekend allowed us to reflect on important aspects of our marriage relationship, couple prayer and the need for intimate sharing and offered an opportunity for healing prayer to restore element of brokenness that occurred through family environment, and growing to maturity as adults. After that weekend we attempted twice to come to meetings of one of the covenant communities - the Servants of the Good Shepherd. However there were mix-ups in regards to the timing and venues. So in response to an invitation from the other community – Maranatha - we went to their BBQ one weekend and then said yes to their invitation to join them.

In March 1985 both communities were invited in response to a number of leadings in prayer and prophecy received by the Lamb of God in Christchurch to join in forming a national Lamb of God community. In particular to the words of Isaiah 54 v 2: "Enlarge the place of your tent, stretch your tent curtains wide, do not hold back; lengthen your cords, and strengthen your stakes."

At that time The Servants of the Good Shepherd said 'yes' to the invitation and Maranatha community declined. However within a year the Maranatha community Elders released their members from their covenant promises, dissolved the community and Maryanne and I plus our children and others joined the Auckland branch of the Lamb of God national community.

In the early seventies the covenant communities which later founded the Sword of the Spirit grouping of communities, heard this prophecy a part of which has been displayed on the banners behind me:

"My people, what I am about with you are serious, deadly serious and I want you to take it seriously because - I love those whom I have created and those whom I have created are being deceived and seduced and beguiled by Satan and by this world. I want to save them... I want to build you up and make you strong so that many men can find

shelter in your walls from the storms outside. And the storms are increasing. I want to send out from you, men and women who can bring down the Kingdom of the enemy. I want to send out from you, My Word and My Power to overcome the enemy."

"I am raising up courageous, gifted strong men and women who will join themselves to you. As you hold fast to one another others will come and be joined to you. Together you will labour with Me to stem the tide of evil that is sweeping the earth. I have brought you together for this purpose. Go with confidence, courage and determination. I will be with you. And in the days to come I will raise up men and communities who will bind themselves fast to you in My service. Let yourselves be joined together. Hold on to one another in Faith and Hope and see what I will do!"

"I will make you a bulwark to defend those who are not prepared, those who are not ready. I will not have them swept away because they are not ready, but I will protect them behind the bulwark that I form out of you. I tell you that you are a part, you are not the whole. I want you to take your part seriously and lay down your lives for it. But understand that only I see the entire plan, only I see every front of this battle. I will raise you up together with others and bind you together to make you a bulwark."

When we heard this we saw it as a powerful challenge to lay down our other commitments and enter into the work the Lord was calling us to make. Just last month we were reminded again of this commitment to each other in a prophetic word that was given: The Lord says: "I am love. But love does not exist on its own. It exists in a relationship. I am the God of all relationships. Today I ask you not to run away from relationships in your life and in community, even though they may bring pain. Do not run away from them because only in relationships will you find Me."

Maryanne and I have seen an amazing amount of growth over these 25 years in the Auckland branch. Our music team has grown from a guitar and a tambourine to a full electronic sound system with about seven praise and worship teams with complete instruments. The children's ministry has grown from a very small group to Kairos youth ministry. Clustering has moved from Mt. Roskill to our current cluster in Mangere. We have just celebrated our seventh anniversary with 8 families and a couple of single people and our lives are all the richer through the more frequent and intimate deepening of relationships. It is great that we are a multicultural community, with many nations and culture being part of our branch. Thanks be to God for the work he is doing among us!

KEY CHANGES TO FIJI: MISSION TRIP 2011

Dates are in the July School Holidays, being July 19-28, nine nights at the Coral Coast Christian Centre, plus travel days either side. We will depart NZ between 16-18 and return 30 July, all dates within the holidays. The trip will include Mission and work service based at the CCCC, in Navua, in local villages and churches and working with the Kids Club. Additionally the team will assist Lamb of God Nadi in forming up a youth ministry similar to Encounter Jesus.

The Mission Trip also has a new and important format change. On six of our days at the Coral Coast Centre we will have a Bible College format with each student attending three presentation sessions each day. Students will be those from Lamb of God on the Mission Trip, plus others invited from Patmos Community and Cornerstone Lamb of God, Nadi. There will be three teaching streams of six talks in each, being Biblical Formation, Christian Character Formation and Leadership Formation.

Signing up: we are looking to take a small team, gender balanced, so alert me soonest if you have a serious interest. Do not wait as accommodation at the CCCC is limited to 16 students and half will be taken by our Fijian brothers and sisters - so ACT NOW! Then call Roger soonest on 03 383 2631, or +64 21 817 232, or email to Lamb_of_God@clear.net.nz The cost: at this point: anticipate \$1,600 per person.

But note: unless we have a pull out, we are already full for sisters [sisters- register NOW if you have an interest], and we have just three places left for young men! Act now...

CHALLENGES IN LIVING TOGETHER AS COMMUNITY

Resource for House Group Discussion by Tom Caballes

Competing With Others for Greatness

January 2011

Love one another with brotherly affection. Outdo one another in showing honour.

[Romans 12:10 ESV]

Have you thought about seeking greatness? In the gospels, we know the story of James and John wanting to be at the left and at the right hand of God [Mark 10:35-45; Matthew 20:20-28]. They want to be great and there is no mistake about it. But others want to be great as well – and trouble could have ensued had Jesus not intervened. Jesus showed that true greatness is based in God's eyes, not men's. To be great, He wants us to be the servant of all. Paul encourages us in Romans 12:10 to compete with one another – but in a different way – in showing honour.

So How Do We Outdo One Another in Showing Honour?

1. The essence of 'outdoing one another in showing honour' is LOVE. **In this 'game,' the one who loves most and serves most 'wins.'** So we should make loving and serving one another as our goal at all times – despite the sacrifice and the trouble that is required in loving and serving others.
2. Value and cherish the blessings, the commitment, the service, the presence and the gifting of our brothers and sisters. Acknowledge, appreciate, and thank them. It is very easy to take them for granted, especially those closest to us.
3. Have a positive outlook with your brothers and sisters. When we think of a brother or sister, what are the things that come in mind first – their faults and their weaknesses, or their love, talents and service? Keep the positive memories always.
4. Honouring one another does not involve flattery. Be sincere in your honouring and do not exaggerate. Let your words flow from your heart and be real.
5. Seek opportunities to show honour to one another – not only on their special days [birthdays], but when they have served well or have done something good.
6. Accept others' honouring gratefully and humbly – thank them and seek to honour them back. This is the perfect time to 'outdo one another in showing honour.'
7. Aim to please God, not people. We should be willing to pay the price if there is a conflict between the two. Looking great in others' eyes – if others think we are, that is fine – is not our aim or focus; our goal is to look great in God's eyes.
8. Servanthood will at times require us to be leaders and take positions of authority and responsibility. We live in an upside down Kingdom – the more people we serve, the greater good we can do for our brothers and sisters. We should not hold back and give our all to serve others.

Other Scripture References

- *Above all, keep loving one another earnestly, since love covers a multitude of sins. [1 Peter 4:8]*
- *Finally, brothers, whatever is true, whatever is honourable, whatever is just, whatever is pure, whatever is lovely, whatever is commendable, if there is any excellence, if there is anything worthy of praise, think about these things. [Philippians 4:8]*

For Personal Reflection and Group Sharing:

1. When have I last honoured my spouse and children? How about my closest brothers and sisters in the Lord?
2. Does thinking positively [good things first rather than bad things] come naturally for me? How can I change so I can think of my brothers and sisters more positively?
3. Have I thanked the Lord for the people He gave me?

Introducing "iPray"

Over the past year Kairos in the USA has developed a new aid for prayer called iPray. It has just been released for purchase. iPray helps you actually pray for 15 minutes – to sing praise, pray the psalms, give thanks, repent, and intercede – and to do it without distraction. iPray is simple. It provides you with a booklet and an MP3 player. The booklet has the words to the songs and psalms in it. The MP3 player has 31 days of prayer pre-loaded on it. You simply press a button and the audio starts with a statement of the day's theme.

For a sample or demo, please visit: http://www.kairos-na.org/Pray_it_Yourself_Demo

We are in the process of ordering - if you are interested, please contact Tom Caballes as soon as possible. We will also be making the iPray unit available during the Summer Oasis in a first come, first served basis. They are arriving in January!
